General authority to repurchase company shares

“Resolved as a special resolution that the acquisition by the company, and/or any subsidiary of the company, from time-to-time of the issued ordinary shares of the company, upon such terms and conditions and in such amounts as the directors of the company may from time-to-time determine, be and is hereby authorised, but subject to the company’s MOI, the Companies Act and JSE Listings Requirements.

The JSE Listings Requirements currently provide, *inter alia*, that:

- This authority shall be valid until the company’s next annual general meeting, provided that it shall not extend beyond fifteen (15) months from the date of passing this special resolution;
- Any such repurchase be effected through the order book operated by the JSE Limited trading system and done without any prior understanding or agreement between the company and the counterparty (reported trades are prohibited);
- A paid press release, giving such details as may be required in terms of the JSE Listings Requirements, be published when the company or its subsidiaries have cumulatively repurchased 3% (three percent) of the initial number of the relevant class of shares, and for each 3% (three percent) in aggregate of the initial number of that class acquired thereafter;
- A general repurchase may not in the aggregate in any one financial year exceed 10% (ten percent) of the number of shares in the company’s issued share capital as at the beginning of the financial year;
- No repurchases will be effected during a prohibited period as defined in paragraph 3.67 of the JSE Listings Requirements, unless there is in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and details thereof have been submitted to the JSE Limited in writing. In this regard, the company will instruct an independent third party, which makes its investment decisions in relation to the company’s securities independently of, and uninfluenced by, the company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE Limited;
- At any point in time, the company may only appoint one agent to effect repurchases on the company’s behalf;
- A resolution has been passed by the board of directors of the company authorising the repurchase, and the company and its subsidiaries have passed the solvency and liquidity test as set out in section 4 of the Companies Act and that, since the application of the solvency and liquidity test, there have been no material changes to the financial position of the company and the group;

Additional information in respect of special resolution number 2

The board has no immediate intention to use this authority to repurchase company shares. However, the board is of the opinion that this authority should be in place should it become appropriate to undertake a share repurchase in the future.

After having considered the effect on the company of the repurchase contemplated under this general authority, the directors are of the opinion that, and undertake that they will not commence a general repurchase of shares as contemplated above, unless the following can be met:

- The company and the group will, in the ordinary course of business, be able to pay its debts for a period of 12 months after the date of the repurchase;
- The assets of the company and the group will be in excess of the liabilities of the company and its subsidiaries for a period of 12 months after the date of the repurchase. For this purpose, the assets and liabilities will be recognised and measured in accordance with the accounting policies used in the audited consolidated annual financial statements for the year ended 30 June 2018;
- The company’s and the group’s ordinary share capital and reserves will be adequate for ordinary business purposes for a period of 12 months following the date of the repurchase; and
